

Lake Nighthorse Improvements

What is Happening at Lake Nighthorse?

The City of Durango Parks and Recreation Department is making improvements to Lake Nighthorse. This project involves the installation of a shade shelter, retaining walls, paved walkways, picnic tables and accessible fishing dock. Construction will begin July 22, 2019.

Access to Lake Nighthorse will remain uninterrupted however, the area under construction as well as portions of the boat ramp parking area will be closed. Access to the existing courtesy dock will be closed on an as need basis to construct the walkway.

Thank you for your patience. These additions to Lake Nighthorse are scheduled for completion Late September.
